Ever wish God spoke as clearly as your girlfriends do? Wish you could hear him that well? Wish talking to Him was fun like that? Between cell phones, kids, and the static of life, a lot of us real girls have gone spiritually deaf. Discover over twenty ways God speaks to us, and learn to dial into the power of divine conversation while laughing out loud with Tune In. Hear God as Jesus worships through the disciplines of prayer and fasting. Or listen in as Job deals with the highs and lows of life. Daniel developed a great inner ear for the voice of God, as Mary did while raising Jesus. God may not distract you with a burning bush or leave you for days inside a whale-but you can still hear His voice. You just need to Tune In to it.

Jen Hatmaker, author of *A Girlfriend's Way to Bible Study*, is the wife of a pastor and the mother of three. She has managed to forge a path of discipleship through the static of her everyday life,

keeping her sense of humor while helping others hear God's voice.
