Tied (Cuffed, Book Three) (An Alpha Male Romance)

Synopsis

Introducing Tied, the third and final book in a seductive new romance trilogy from author Eva Grayson. Cassidy What an arrogant prick. I cannot believe Austin Smith has the balls to hit on me right now. I don't care if he's gorgeous, rich and as sexy as any man I've ever met. Austin Smith left my life in shattered pieces with nobody around to help pick them up. But here he is, at this bar, hitting on me, and I can tell he has absolutely no idea who I am. The bastard doesn't even have the courtesy to remember the faces of those he crushes under his expensive Italian loafers on his way up the ladder of success. I want to get some revenge. I'm just not sure I'm strong enough to resist having a little taste of him first | Austin There's something about Cass. Something vulnerable, something sexy, something I can't quite put my finger on | But I can put my hands all over her, and I will. She's playing coy, hard to get "but not hard enough. And soon I'm going to get her out of this bar and into my bed. I know it's only a matter of time before she's naked beneath me, and I can already practically taste her on my tongue, feel her skin, and damn if she's not driving me crazy. I live a high-stress life and there's very little time for pleasure. But tonight, I intend to take my time with this woman. And before all is said and done, I'm going to have her CUFFED.

Customer Reviews

Started out ok for \$.99 for the first two "books" ...got intrigued...third book 2.99..and complete carp. COMPLETE CRAP. Then they give you a "sample book" which is also complete CRAP. So sick of this bulls***.

I stumbled across this series but I loved every book in it . I could relate to the struggles and insecurity of the characters especially when it comes to putting your feelings on the line. Trust was defiantly an issue for Cassidy and Austin. I wish this book had been longer but maybe we will. See them again. Definitely a book for mature reader's.

Ms. Grayson did an excellent job with this series! I loved the characters in her story. Colt, sexy, rich, struggling with his morality and Olivia, beautiful, scared, struggling with her emotions and feelings. Just a wonderful series. And lots of sexy lust you could feel turn to love with them.

I love the idea of the shorter books and being able to read them in sequence makes me so happy. I felt pulled in every direction and I loved it!! So hot and so sexy!! My new favorite romance writer? Definitely!

Great story.....Keeps you wanting to know what happens next....would recommend...good twist and turns in the story...want to read more stories by this author...

Another great series by Eva Grayson. I have really enjoyed riding on this journey with Cassie and Austin. If you want ups and downs that end in HEA then this would be a good fit for you.

You are bound to enjoy this series. Eva Grayson does a great job of letting us the reader understand the emotions of a cutter. Again enjoyable.
