## Book Information

Paperback: 82 pages

Publisher: CreateSpace Independent Publishing Platform (June 6, 2014)

Language: English

ISBN-10: 1500125423

ISBN-13: 978-1500125424

Product Dimensions: 6 x 0.2 x 9 inches

Shipping Weight: 6.2 ounces (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 stars Â See all reviews Â (2 customer reviews)

Best Sellers Rank: #429,008 in Books (See Top 100 in Books) #44 in Â Books > Sports & Outdoors > Individual Sports > Cycling > Bike Repair #5318 in Â Books > Business & Money > Small Business & Entrepreneurship #6169 in Â Books > Sports & Outdoors > Outdoor Recreation

## Customer Reviews

The information was very clear and useful. I am currently writing a Business Plan for a similar business and it helped me a lot. Although, I would have liked if it had included a Sample Business Plan and possibly some downloadable business templates. It also had far too many typos and grammar mistakes which for a published book is inexcusable (but obviously the content is what counts; but this also shows a lack of attention to detail which is also what separates the good mechanics from the best) as there are many resources and people who could have (and should have) reviewed the draft before going to print.

There's nothing out there like this (I've looked, really hard). A perfect perspective between a bike-guy (or gal) with a few tools and a bike stand in the basement and Velofix's \$150,000 mobile

bike-repair franchise buy-in. Erik sets a number of realistic goals and expectations, without also promising it'll make you a millionaire. Excellent resource for suggested tools, inventory, and a vehicle.
