When March Went Mad: A Celebration Of NC State's 1982-83 National Championship

Synopsis

North Carolina State's 1983 NCAA championship still ranks as one of the true Cinderella stories in the history of college basketball. Coached by legendary Jim Valvano, the Wolfpack had been a long shot to even make the tournament. As a low seed, they went on a wild six-game win streak that culminated with a last second upset over Houston's team in the national championship game. At the time, Valvano's team was the lowest-seeded team to ever win a national title. This book, told through the eyes and memories of several players and coaches from that team, takes readers back through the magical month of March 1983.

Customer Reviews

Great read....brought back A TON of memories from the NCAA championship year, and told through the stories of the people who were actually there playing in the middle of it all....

I was at NCSU in 1983 and reading this book was like reliving that dream season. Well written and engaging!

It's hard to find a book about the Pack that is bad. It's a good read for any true Wolfpack fan --a good trip down memory lane. The picture section in the middle of the book is nicely done and a good addition to the text. Would recommend for any NC State fan!
