Wolf Bride (Lust In The Tudor Court Book 1)

Synopsis

Hilary Mantel meets Sylvia Day: the first installment in a deliciously erotic trilogy, set against the sumptuous backdrop of the scandal-ridden Tudor Court by Elizabeth Moss. **BOUND TO HIM AGAINST HER WILL...** Lord Wolf, hardened soldier and expert lover, has come to King Henry VIII's court to claim his new bride: a girl who has intrigued him since he first saw her riding across the Yorkshire moors. Eloise Tyrell, now lady-in-waiting to Queen Anne Boleyn, has other ideas. She has no desire to submit to a man she barely knows and who-though she is loath to admit it-frightens her more than a little. Their first kiss awakens in both a fierce desire that bares them to the soul. But as the court erupts into scandal around the ill-fated Queen, Eloise sees firsthand what happens when powerful men tire of their wives...**Lust in the Tudor Court: Wolf Bride Rebel BrideRose BridePraise for Erotic Romances by Elizabeth Moss: "Fifty Shades of Tudor sex." -The Sunday Times "For a terrific historical romance with a couple who can't keep their hands off each other, this is perfect."-RT Book Reviews**"Infused with political intrigue, royal pageantry, infidelity, scandal, historical authenticity, romance and love, this story brings yesteryear to life while heating up the pages and fascinating readers."-Romance Junkies

Customer Reviews

Lady Eloise Tyrell serves as a maid of honor in the court household of Queen Anne Boleyn. Inspired by the love and passion of King Henry and Queen Anne, she dreams of finding and marrying a man who loves her instead of one who treats her as chattel. But her dreams are crushed when she discovers that her father has betrothed her to the formidable Lord Wolf, a favored, battle-hardened soldier to the King. Lord Wolf does not believe in love â “ not after his heart was ripped out and stomped on when he was still a young man of eighteen. Ten years have passed since then and he believes that love makes a man weak. Marriage is a necessity that provides a honorable outlet for his carnal lusts and an avenue for continuing his family name. But then Wolf sees the woman Eloise has become since he left for the battlefields and he fears that all his long-held beliefs are about to come crashing down around him. I love books set in Tudor England. Itâ™s my favorite historical period â “ full of passion, intrigue, and just the right amount of court politics to keep everything interesting. WOLF BRIDE does not disappoint. Set just before the condemnation of Queen Anne, this novel is full of rich, historical characters and has an interesting plot steeped in historical details. Eloise is headstrong and passionate â “ a troublesome combination for a period that condoned the beating of disobedient wives. But sheâ™s also fiercely loyal and ready to step up to defend her family when necessary. Wolf is reputed to be a tough, formidable soldier, but heâ™s also cunning and able to easily navigate court politics â “ even to the point of skillfully manipulating King Henry (a dangerous game indeed!). The sex in this novel is scorching hot!

My Musings While browsing titles on Net-Galley, I came across Wolf Bride. I have always been fascinated by the Tudor era, especially Henry VIII and all his wives. I requested this book from the publisher and I am so glad I did. I noticed a reference on the cover saying it is Fifty Shades of Tudor sex, while the writing is far superior to that series, I could not agree more! While flirting with the man who has captured Eloise Tyrellâ™s attention, Simon tells her that her father has arrived at court and has accepted a marriage contract with Lord Wolf and that King Henry has approved the match. He begins to ravish her all while telling her that he has always realized their love had no future. Eloise is appalled that Simon thinks she would give him her virginity and blithely go on to marry Lord Wolf. What happened to his grand passion for her? Lord Wolf remembers the spirited girl from his youth and knowing it is a good match. He enters into a marriage contract with Sir John Tyrell. When he overhears his future bride flirting with a man, he makes his presence known to Eloise after she has sent her erstwhile lover away without giving into his advances. At least he knows her maidenhead is still intact. Although her honor may be questionable, her high-spirits still exist. Can this arranged marriage ever bring her love, or will she be banished to the north once she has given

Wolf his heir? Elizabeth Moss has penned an exciting new novel set in the enthralling Tudor court, filled with whispers of treason, betrayal and plenty of lust. Wolf Bride is one of the most erotic books I have read in a while, and it is so tastefully done. The passion between Eloise and Wolf sizzles. It is hot, hot, hot. However, this is a tale of powerful emotion.
