# The Ranch: Unity: A Post Apocalyptic Survival Story

## Synopsis

In the midst of chaos, Andrew Smith finds himself at the crossroads between doing what he has to do to ensure the safety of the group or risk disappointing those whoâ™ve come to rely on him. With so many people counting on him and danger looming, can Andrew see beyond the chaos and do what it takes to quell his daughtersâ™ fears and keep the group intact?

## Customer Reviews

I enjoyed this series. The characters are so interesting and family driven. It is was a good time for them most of the story. They had a few setbacks but it felt more realistic than some stories I have read. The description and background story was well written, it wasn't a bloody gory story and I enjoyed that. I would let my grandchildren read this but then 2 of them are adults. I will read more of Brian Quest books. Keep up the writing Brian.

For Andrew's family to suddenly up and move from Montana to West Virginia in the final installment of the Ranch Series was disappointing to me. Here they were living in the beautiful Big Sky Country and on a whim they move across America to the coal mines of West Virginia seemed out of

character to me. A better ending would have been to rebuild their ranch where they would have the shelter as a continued contingency against evildoers.

The Smith family continues living in their shelter over the winter months. As one might suspect, the close quarters are a challenge for the girls! Attitudes improve after Christmas when Andrew, their dad, brings in the TV set with a lot of movies for them to watch. Andrew also sets up a radio in hopes to connect with other survivors and he makes contact with Walter Johnson in Arizona. That also makes his girls most happy. A couple of other surprises await the Smith family and the ending is both bittersweet and full of new beginnings. As is stated in the book 'live, work, survive and thrive together'. I must admit that I read the second and third installments but not the first. So, now must go back and read the first one to see what happened in that one. Highly recommended. Please note that I obtained this through the Kindle Unlimited Program.
