Outlines Of Jainism

Synopsis

First published in 1940, as the second edition of a 1916 original, this book was written to provide an accessible English introduction to Jainism, incorporating discussion of its underlying philosophy and terminology. Written by a member of the Jain community, the text gives an insider's perspective on the religion, allowing for an intimate treatment of its various aspects, whilst also maintaining a non-doctrinaire approach. The author wrote the book in collaboration with the Jain Literature Society, who took responsibility for additional editorial work. A bibliography is also included. This book will be of value to anyone with an interest in perspectives on Jainism and Indian religion.
